

Pet Esthé®

"Pet Esthé" is an esthetic brand for pets, combining the spirit of Paris and the innovation of Japan.

Pet Esthé's goal is to rejuvenate your pet. There are four elements to pet rejuvenation. These are: improving the coat, improving the skin, improving the coat color, and the mutual healing of both pet and human. Our rejuvenation philosophy involves all four.

Your salon can become a fashionable, leading-edge esthetic salon!!

Pet Industry's First

Pet Esthé
Color Restoration System

The product will restore the colors of aged dogs' coats to youthful ones

Before

After

Revitalizes discolored hair

Restores gray hair to its original state.

Enhances breed uniqueness

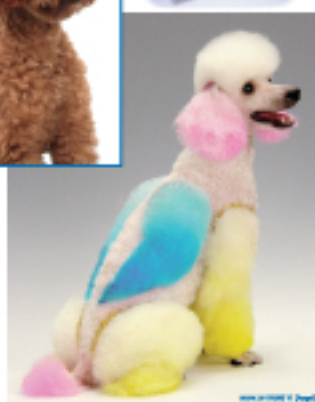

Aging dogs regain youthfulness

Pet Esthé
Vivid Color

Highlighting the charm of your pets
Vivid Color extends and intensifies the coloring world

The Pet Esthé Vivid Color system is able to generate limitless color shades by changing the combination ratio of seven Vivid colors and four Medium Colors.

Aromatic Spa (Aromatic Bath) — Relaxation with Pet Esthé Aromatic Bath Salts

Thalassotherapy

Thalassotherapy for pets

Aromatherapy

Aroma effect + Massage effect

It is an esthetic treatment for pets in which aromatic oil and massaging are applied at the same time. Your pet is massaged with your choice of aromatics and coat-strengthening aromatherapy massage gel. Your pet's stress will be relieved, and the coat will be improved.
